Be a Stampin' Up!® Demonstrator

There is no better time than Sell-A-Bration to become a Stampin' Up! Demonstrator! And until February 28, you can take advantage of the exciting new \$137 Mini Starter Kit as an alternative offering to our standard \$275 Starter Kit.

The money-saving Mini Starter Kit is ideal for long-time crafters who already have stamping supplies, and just need business supplies to get going in their Stampin' Up! business. Or, if your stamping supplies are limited, the standard Starter Kit might be perfect for you.

New Mini Starter Kit (\$137)

- Limited time offer. Available only until February 28, 2007.
- Perfect for long-time crafters with current Stampin' Up! products.
- Has all the business essentials included in the standard Starter Kit.
- Free Polka Dots & Paisley stamp set (a \$24.95 value).

Standard Starter Kit (\$275)

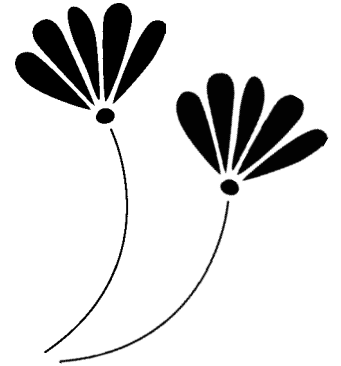

- Comes with a variety of essential stamping and business supplies needed to start a business from the ground up.
- Free Polka Dots & Paisley stamp set (a \$24.95 value).
- Free \$54.95 stamp set of your choice from the Idea Book & Catalogue (during Sell-A-Bration only).

Come and experience all the fun, friendship, and opportunity that comes when you share your creativity as a Stampin' Up! demonstrator! Call me today for more details and to take advantage of these exciting offers!

Have you heard about Stampin' Up!'s new \$137 Mini Starter Kit?

If you already have current stamping supplies and have ever thought about becoming a Stampin' Up! demonstrator, the \$137 Mini Starter Kit is perfect for you. This new kit has all the business essentials you need to get your Stampin' Up! business up and running!
