PROMOTIONAL STARTER KIT

This promotional Starter Kit contains an assortment of products and business supplies. It is designed for those who already own Stampin' Up! product. It does not contain everything you need in order to demonstrate at a workshop. You must use only current Stampin' Up! product when you demonstrate. Promotional items offered with the regular Starter Kit may not be available with the \$119 Starter Kit. Check with your upline for details. There are two categories of items in the kit: (1) Rubber Stamps & Accessories, and (2) Business Supplies.

1 RUBBER STAMPS & ACCESSORIES - Gray lines in the alternative column mean that no alternative choice is available for that item. Where the lines are white, you may choose to fill in the line to select a different item than the one recommended. If you do not make an alternative selection, we will send the item listed in the "Recommended" column.
