

Here's what you're going to love:

- Top-quality photopolymer that gives a perfectly stamped image every time.
- They're entirely transparent for perfect placement!
- Can you say sticky? (Don't worry; in a good way.) These stamps stick amazingly well to our clear blocks.
- They're age tested. They won't yellow or cloud up over time.
- We could go on, but we'll let you try them for yourself.

PHOTOPOLYMER STAMP SET

Happy 29th birthday...
...from your 110 lb. friend!

{HAPPY BIRTHDAY}

{Hang in there.}

To stamp or not to stamp?

not even a
That is ~~the~~ question.

Saying "goodbye" is hard...

...maybe not as hard as
"no thanks,
I'll pass on dessert"
...but it's hard.

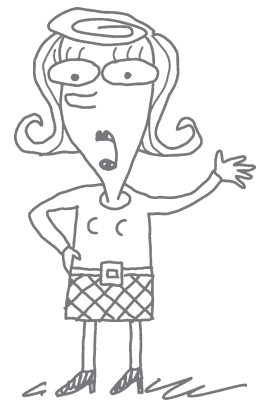

They say the hardest challenges
in life make us stronger...

...what a stupid system.

You'll be missed.

We'll be friends until
we're old and senile...

...then we'll be new friends!
