See which items received the most votes! BY JANA LILLIE

While you love scrapbooking as much as we do, sometimes it's difficult to know which products rate highest in customer satisfaction. Wonder no more! Each year, the editors of *Creating Keepsakes* magazine hold a Readers' Choice Awards contest and invite thousands of readers (randomly selected) to vote for their favorite products. Here are this year's winners, followed by the top two finalists in each category. See what readers just like you use and love!
